

GLA Scholarship Application Information 2022

Application Deadline for Scholarships: March 31st, 2022

Who is eligible?

Youth ages 12-18 (as of July 2022) from all countries are eligible to apply to attend GLA. There are no language requirements, but the program is conducted fully in English so we recommend a proficient level of English, such as the ability to understand and speak in simple sentences.

What forms of financial aid do you offer?

Scholarships come in the form of tuition scholarships, so they do not cover airfare or travel expenses from your home country to the program. We offer partial scholarships (20-50% of the tuition cost) on a rolling basis. Full-tuition scholarships are decided after the scholarship application deadline of March 31st, 2022, so applicants only interested in applying for a full-tuition scholarship will be added to the list to be considered in the spring. Even if you have already accepted a partial scholarship, you are still considered for a full-tuition scholarship.

How are applications judged?

We consider leadership potential, prior leadership and community service experience, and financial need when assessing applications.

How can I apply?

To be considered for financial aid or scholarship, you must first complete an online application and indicate that you require financial assistance to attend our youth summer program. Apply on our website: <https://powerfulyouth.com/apply-now/>

After applying for the program, please submit a 2-3 page written essay or create a 3-4 minute video that answers these 3 important questions:

1. Why are you interested in attending the Global Leadership Academy?
2. What sort of clubs, social activities, service projects, or sports are you involved in and why do you like doing these activities?
3. What is one strength that you have already as a leader?

Feel free to be creative and fun, but make sure to answer the questions as best you can. Since videos are too large to upload, please send us a link to a YouTube, Vimeo, or some other video hosting site or attach your essay in a PDF or Word document and email it to info@powerfulyouth.com.
