LEADERSHIP PROGRAMS FOR YOUNG CHANGEMAKERS 2023

## What makes the Global Leadership Academy a powerful experience for youth?

- Combines the best of a service abroad experience, summer camp, pre- university program and leadership academy all into ONE experience!
- Designed to build youth confidence, leadership soft skills, global perspective, and community service experience
- Work & learn in teams of international students from around the world with a 5:1 student to coach ratio
- Choose two or three week experiences in Canada or England
- Earn a certificate that details each youth's 60+ hours of community service impact and leadership development
- Convert passions into exciting changemaking projects with support in setting goals and developing plans
- Experience-based learning suitable for both native speakers and ESL students - no English language requirements necessary!
- 6 months of post-program online leadership coaching from staff via Zoom and/or email
- Student scholarships & educator fellowships available
